Hi Tonya,

I notice that I'm cc'd, so wondering whether or not you're interested in HQ input at this time. If so, I will return comments to you by COB Monday.

Thanks!

Please review and comment on draft RA brief. I need to pass on to Bert & Martin after your review and submit to RA by noon next Thurs.

If you want to see the final UAA or any of the original comments or response to comments, they are available at:
